- Heaton is so clear and helpful! The course is disorganized, but he explains ideas by relating new concepts to what I know, which is refreshing after lecture which is primarily definitions.

- Howard was a great TA. His notes he publishes online have been invaluable and his discussions were helpful.

  Keep it up; don't change anything

- Howard was very helpful and knowledgeable about the content of the course. I learnt more in his discussion session than the professor's lecture.

- Howard=absolutely excellent. This is the type of person that inspires students.

- TA helped greatly with the transition of the class between professors. TA also helped with understanding of concepts. Great TA overall!
